Microsoft Learning

## In your hands.

Easy to read and always nearby.

Books are a convenient and effective information source. Designed for the way that you learn, Microsoft Press offers books, training, and technical resources to help you work more productively using Microsoft technology. Get the most out of the information you read. Visit national book and computer stores around the world or go to [www.microsoft.com/learning](http://www.microsoft.com/learning)

Microsoft Learning

Learn more. Go further.

Microsoft Learning creates innovative learning products developed by Microsoft technology experts. Our comprehensive line of skills assessments, books, E-Learning, reference materials, courses, workshops, clinics, seminars, and certifications are designed to deliver learning experiences that meet a variety of work, learning and lifestyle needs. Microsoft Learning partners with over 5,000 of the industry's leading academic institutions, IT training centers, and retailers to provide these customized learning solutions to individuals and organizations around the world. For more information visit [www.microsoft.com/learning](http://www.microsoft.com/learning)
